**THE USS SANDMAN. A MEDICAL VESSEL
FERRYING COLONISTS IN CRYOSLEEP TO
THEIR NEW HOME ACROSS THE GALAXY.**

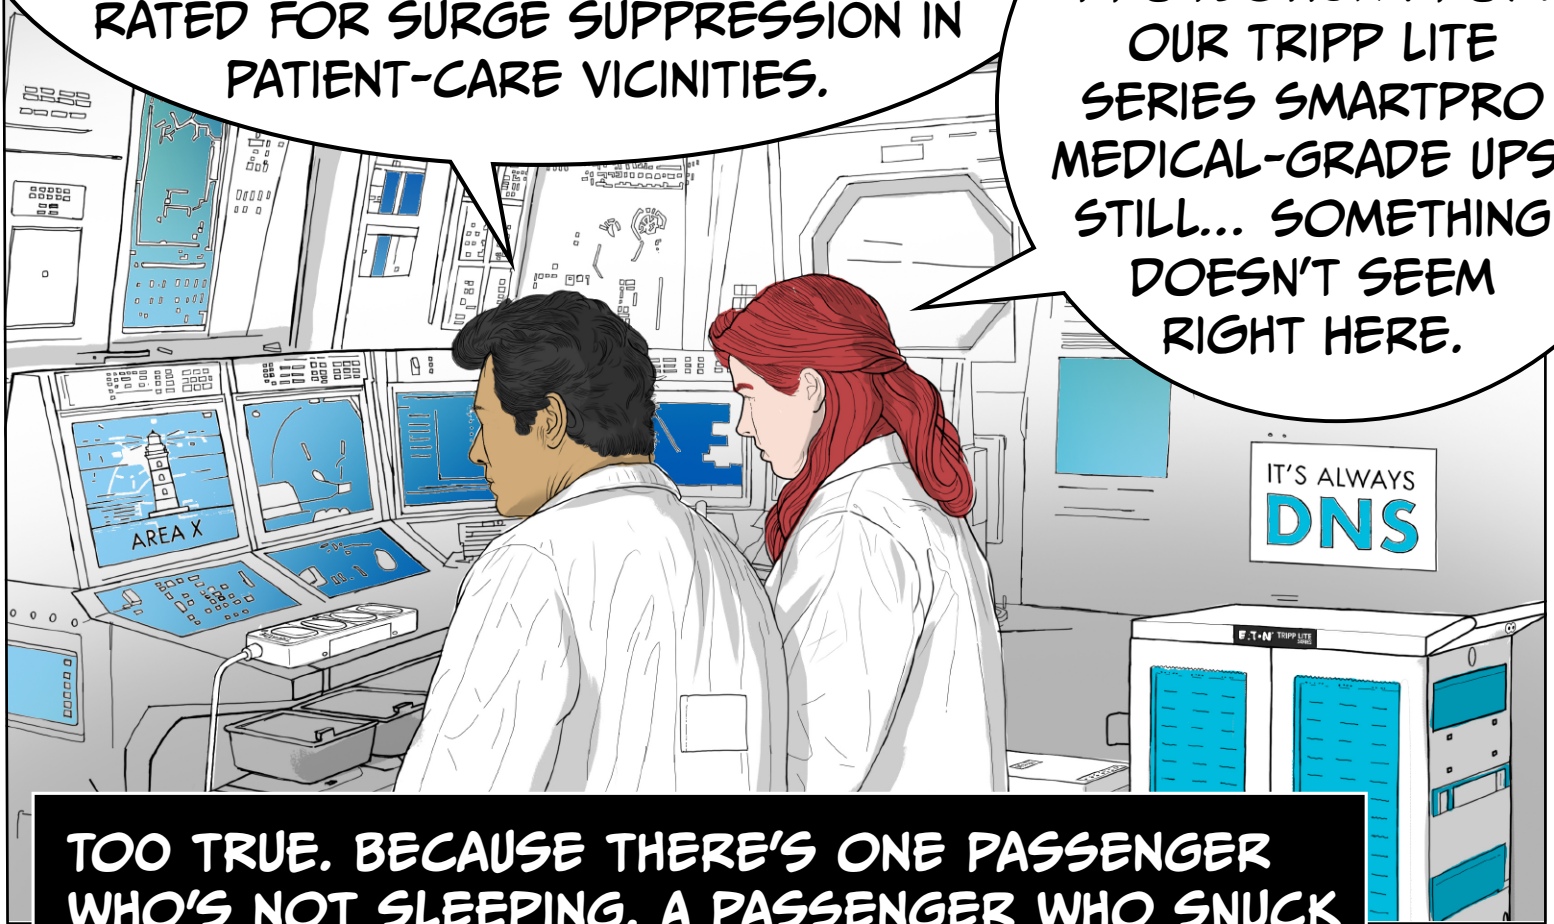

**AND IF YOU THINK ALL THE SLEEPING PEOPLE MEANS A QUIET
RIDE FOR THE ONBOARD I.T. DEPARTMENT, YOU'D BE WRONG.**

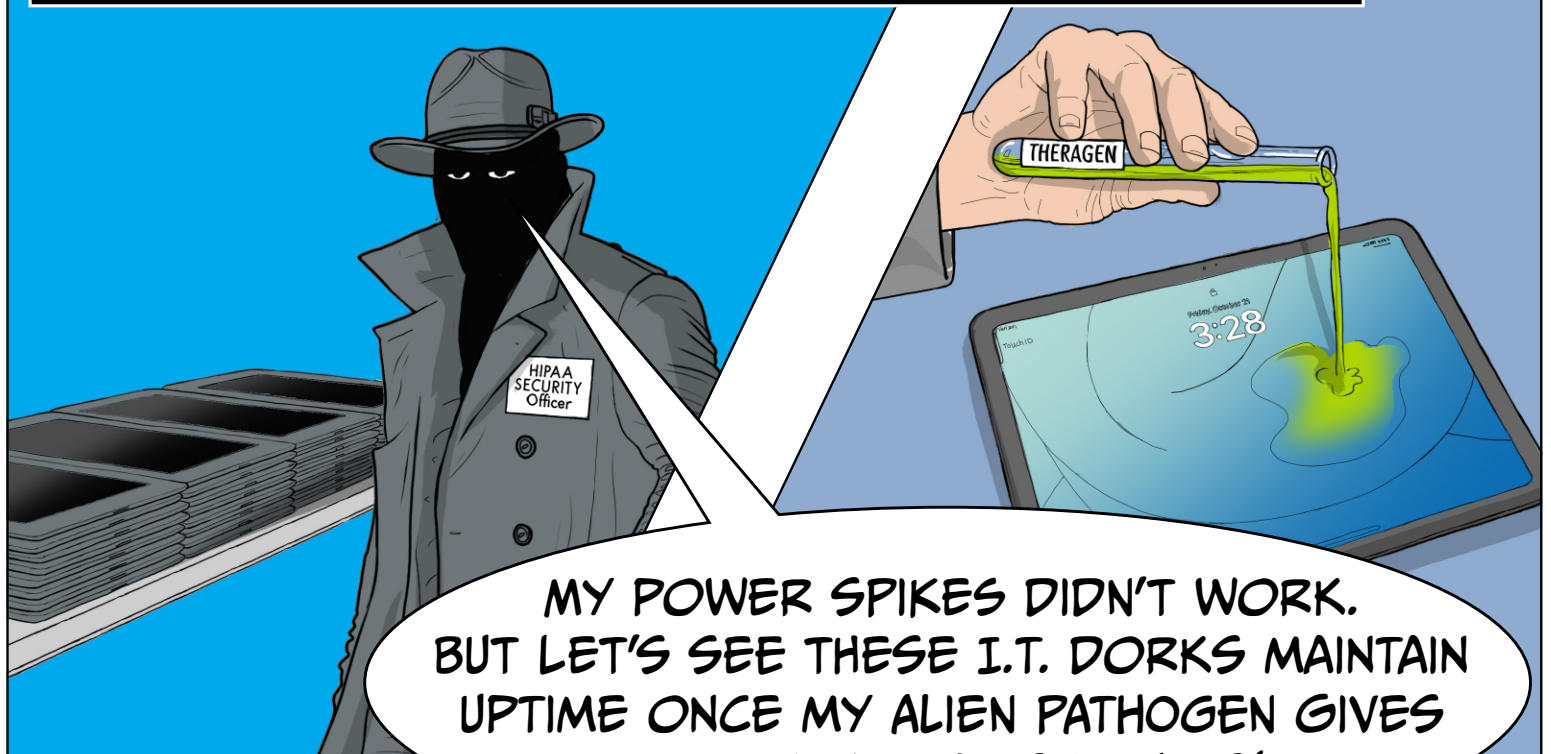

WOW, YOU WEREN'T KIDDING. THOSE ARE WAY HIGH. LUCKILY, OUR HOSPITAL-GRADE SURGE PROTECTORS ARE PROPERLY RATED FOR SURGE SUPPRESSION IN PATIENT-CARE VICINITIES.

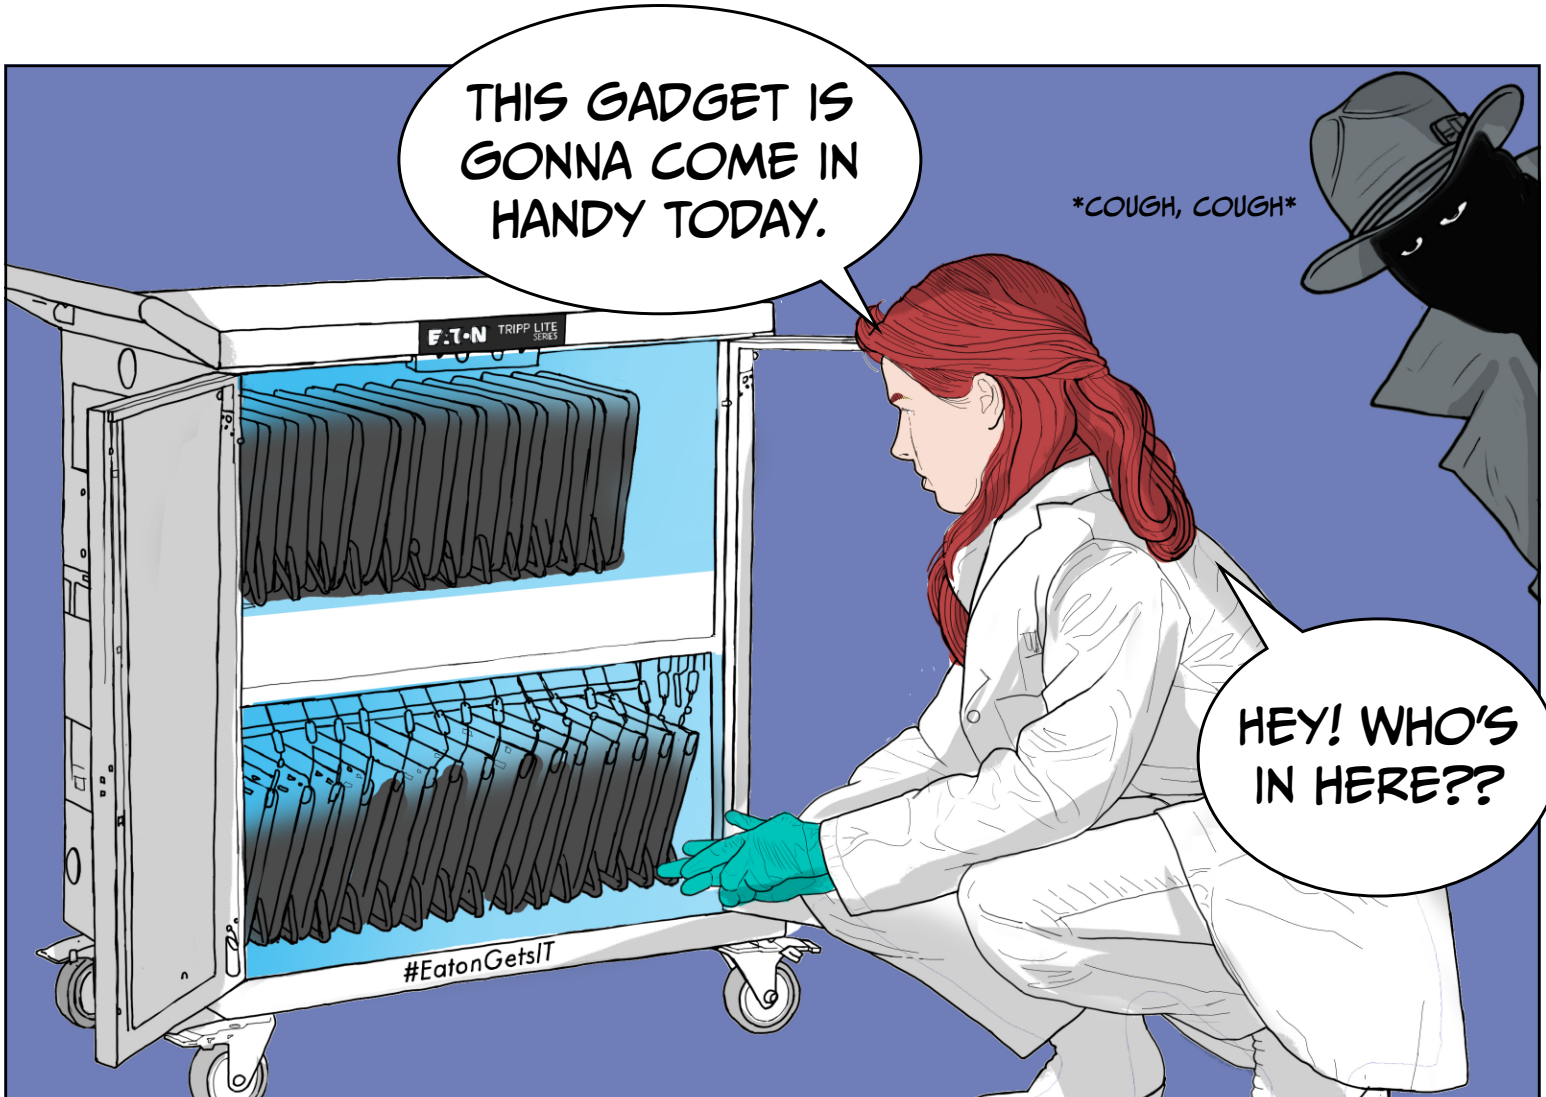

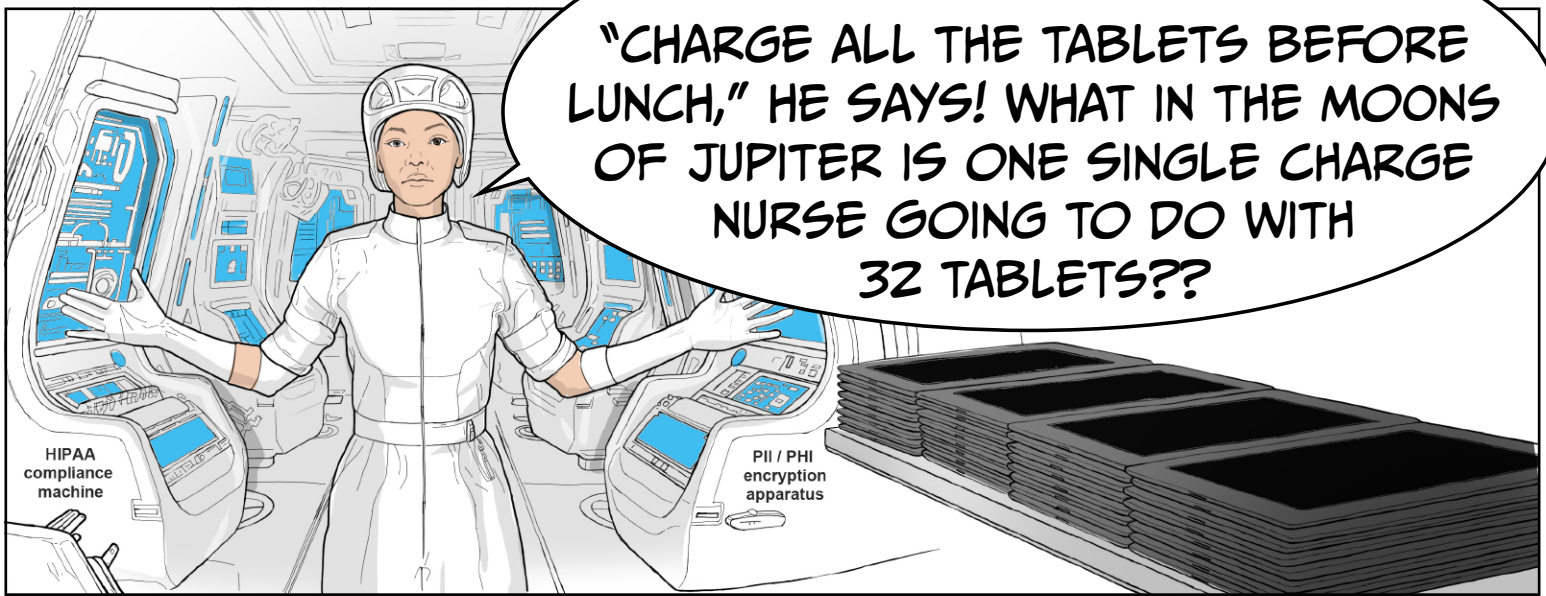

RIGHT. AND WE'VE ALSO GOT PROTECTION FROM OUR TRIPP LITE SERIES SMARTPRO MEDICAL-GRADE UPS. STILL... SOMETHING DOESN'T SEEM RIGHT HERE.

TOO TRUE. BECAUSE THERE'S ONE PASSENGER WHO'S NOT SLEEPING. A PASSENGER WHO SNUCK ONBOARD TO CAUSE MAYHEM – AND COSTLY INEFFICIENCIES. THE EVIL DR. DOWNTIME!

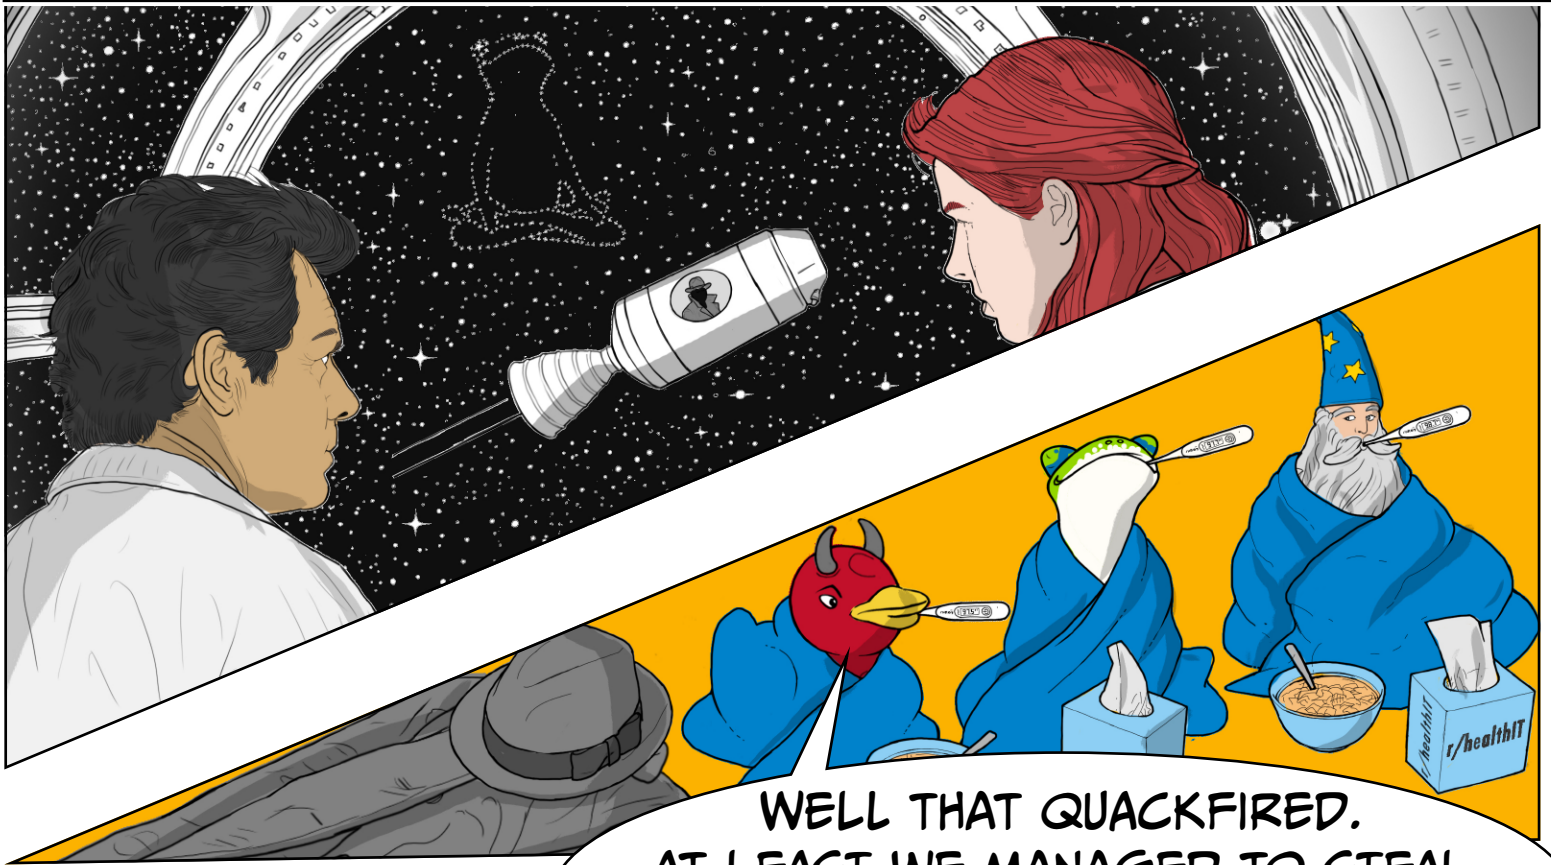

MY POWER SPIKES DIDN'T WORK. BUT LET'S SEE THESE I.T. DORKS MAINTAIN UPTIME ONCE MY ALIEN PATHOGEN GIVES EVERYONE THE SNIFFLES!

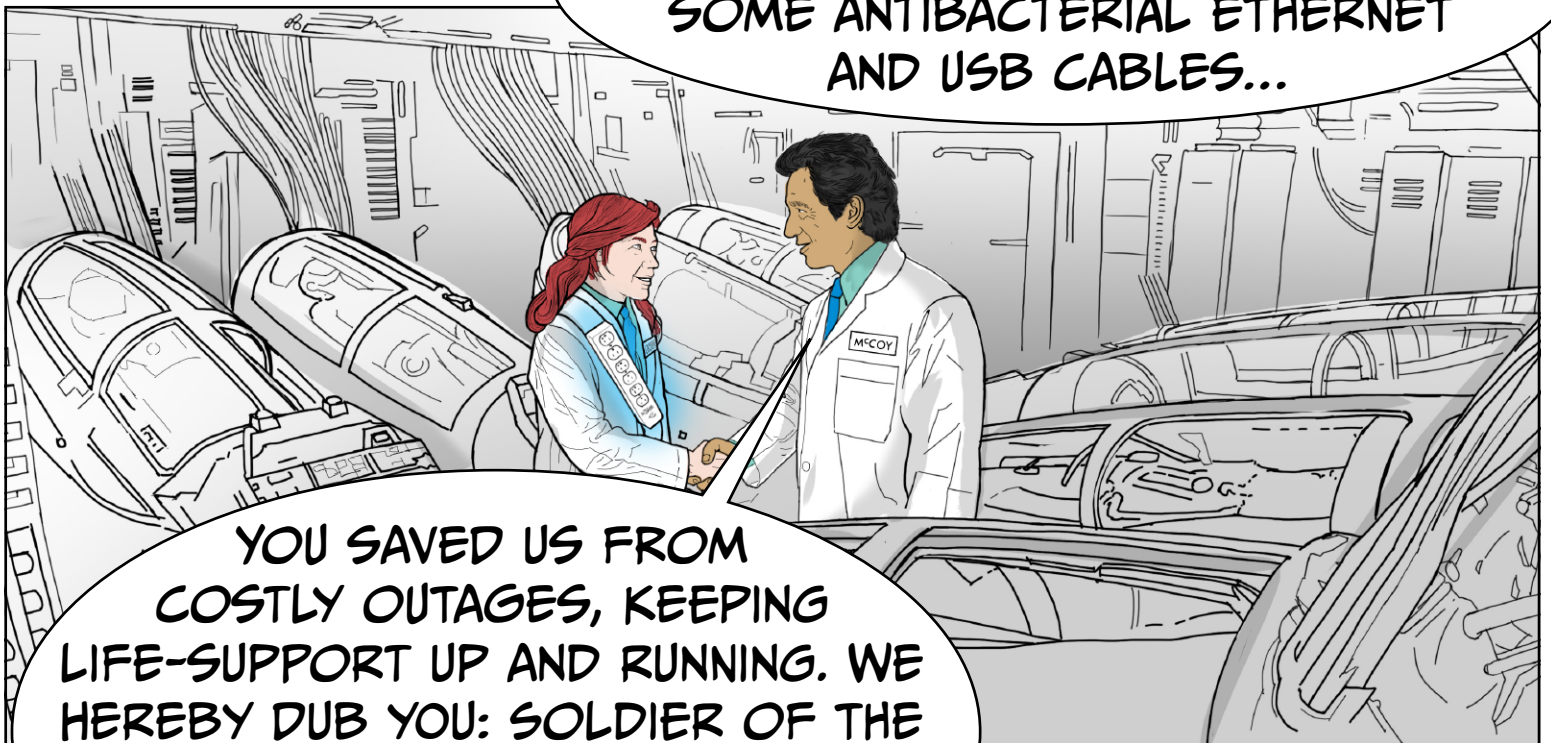

OUR HERO IS RIGHTER THAN SHE KNOWS. BECAUSE THE TRIPP LITE SERIES HOSPITAL-GRADE CHARGING CART NOT ONLY CHARGES MULTIPLE DEVICES QUICKLY AND SIMULTANEOUSLY, BUT IT DISINFECTS THEM, TOO.

THANKS TO THE CHARGING CART, THE ONLY ONE INFECTED BY SPACE MICROBES WAS – DR. DOWNTIME HIMSELF! HIS PLANS FOILED ONCE AGAIN, THE DASTARDLY DOC EVADES CAPTURE AND HIJACKS AN ESCAPE POD.

WELL THAT QUACKFIRED.
AT LEAST WE MANAGED TO STEAL
SOME ANTIBACTERIAL ETHERNET
AND USB CABLES...

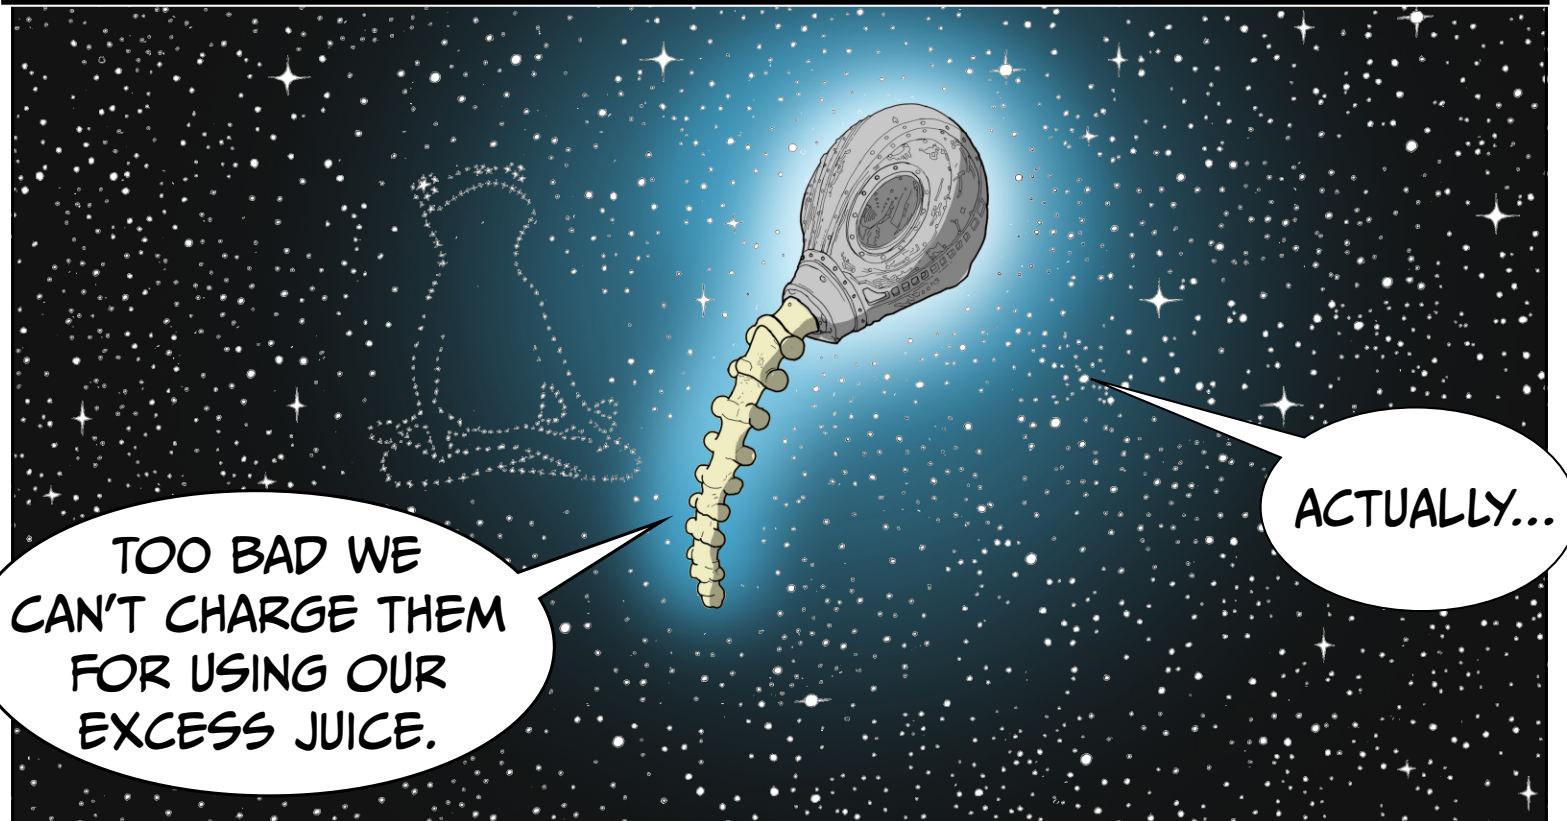

YOU SAVED US FROM
COSTLY OUTAGES, KEEPING
LIFE-SUPPORT UP AND RUNNING. WE
HEREBY DUB YOU: SOLDIER OF THE
SURGE! YOU HAVE THE COLONY'S
THANKS... WHEN IT WAKES UP.

THE END. THIS TIME...

THE I.T. HEROES CONTINUED THEIR JOURNEY TO A NEW HOME, WORKING TO PROVIDE CONTINUOUS UPTIME OF THE SHIP'S CRITICAL CARE SYSTEMS.

THE I.T. INFRASTRUCTURE WAS SO EFFICIENT, THE TEAM HAD EXTRA TIME TO TURN THE SANDMAN LIFE SUPPORT BAY INTO A MICROGRID, DESIGNED TO SHARE POWER WITH THE REST OF THE SHIP.

TO DEFEAT DR. DOWNTIME, OUR I.T. HERO LEVERAGED SEVERAL TRIPP LITE SERIES SOLUTIONS:

- INSTALLED HOSPITAL-GRADE SURGE PROTECTORS AND STRIPS TO PROTECT AGAINST SPIKES
- EMPLOYED SMARTPRO MEDICAL-GRADE UPS FOR BACKUP POWER
- USED A HOSPITAL-GRADE CHARGING CART TO CHARGE AND DISINFECT MULTIPLE DEVICES
